ABOUT ME

I'm Piper Thorson, a recent grad from the master's architecture program at NDSU.

I am passionate about green design, passive systems, low income housing, and housing for the homeless.

ATTRIBUTES

A Positive Outlook

My personality shines bright even on the darkest of days.

Excitement to Learn

I'm a quick learner, and I have fun while doing it!

Tech-Savvyness

Technology comes easy to me. I can learn new programs within a couple weeks.

Creativity

I love coming up with creative solutions. I'm also a great person to bounce ideas off of.

Attention to Detail

I beleive the most important part of the project is the details.
